SHANNON SPENCER, individually and on
behalf of all others similarly situated,

Plaintiff,

v.

JELD-WEN, INC., a foreign profit
corporation doing business as JELD-WEN,

Defendants.

NO. 2:23-cv-01757-BJR

JOINT STATUS REPORT AND
DISCOVERY PLAN

Pursuant to Local Civil Rule 26(f) and Federal Rule of Civil Procedure 26(f), Plaintiff Shannon Spencer, on behalf of himself and all others similarly situated (the “Class”), and Defendants JELD-WEN, INC., a foreign profit corporation doing business as JELD-WEN (collectively and hereinafter the “Defendants”), by and through their counsel, submit the following Joint Status Report and Discovery Plan.

1. Statement of the nature and complexity of the case: The Parties believe that this case is a non-complex class action.

Plaintiff’s Statement: Plaintiff alleges that Defendants failed to disclose in each posting for each job opening, the wage scale or salary range and a general description of all of the benefits and other compensation to be offered to the hired applicant. RCW 49.58.110(1).

Defendant’s Statement: Defendants removed this action from King County Superior

1 Court to this Court on November 16, 2023. Defendants deny the Plaintiff's claims in their
2 entirety, assert affirmative defenses, and deny that Plaintiff is due any damages or relief.

3 **2. Proposed deadline for joining additional parties:** The Parties do not anticipate
4 joining additional parties.

5 **3. Assignment of the Case to a Magistrate Judge:** The Parties do not consent to a
6 Magistrate Judge being assigned to this case.

7 **4. Initial disclosures pursuant to FRCP 26(a)(1):** The Parties initial disclosures
8 were to be exchanged on January 2, 2024, as per the November 28, 2023, Order Regarding Initial
9 Case Deadlines. However, both parties required more time, and requested an extension from the
10 court to February 2, 2024. The parties wish to alert the court that there are similar cases that have
11 been reassigned to Judge Rothstein. Some of these cases have pending motions to dismiss. The
12 cause numbers are: 2:23-cv-01784, 2:23-cv-01787, 2:23-cv-01790, 2:23-cv-01742, 2:23-cv-
13 01740, 2:23-cv-01806, 2:23-cv-01793, 2:23-cv-01680, 2:23-cv-1666, 2:23-cv-01737, 2:23-cv-
14 01696, 2:23-cv-01723, and 2:23-cv-01084.

15 **5. Discovery Plan:**

16 a. **Subject, Timing, and Potential Phasing of Discovery:**

17 The Parties do not currently anticipate asking the Court for any special orders
18 or relief with respect to discovery, but reserve the right to do so as necessary.

19 b. **Electronically Stored Information ("ESI"):** The Parties believe that this

20 case will involve limited amounts of Electronically Stored Information
21 ("ESI") and if necessary, the Parties will adopt the Model Agreement
22 Regarding Discovery of ESI. The Parties are currently unaware of any issues
23 regarding disclosure of electronically stored information.

24 c. **Privilege Issues:** The primary documents in this case will be the Plaintiff's
25 employment files in the possession of the Defendants, and the Defendant's
26 other internal documentation and communication relating to the Plaintiff

during his employment with the Defendants. The Parties do not expect any unique or extensive claims of privilege.

d. **Proposed Limitations on Discovery:** The limitations on discovery imposed under the Federal and Local Civil Rules should apply. If the Parties determine at a later date that discovery limitations should be adjusted, the Parties may stipulate to adjusted limitations.

e. **Discovery Related Orders:** The Parties do not currently anticipate needing any discovery-related orders.

6. Local Civil Rule 26(f)(1):

a. **Alternative Dispute Resolution:** The Parties will attempt to negotiate informally and if that is not successful, believe that this matter may be resolved through means of Alternative Dispute Resolution (ADR), specifically mediation.

b. **Related Cases:** The Parties are aware of a substantial number of purported class actions filed under RCW 49.58.110. Many, if not all of them pending in the Western District of Washington have been transferred to Judge Rothstein.

c. **Phasing of Motions:** The Parties agree that motions should be conducted pursuant to Federal Rules of Civil Procedure, and see no need currently for any protocols regarding the phasing of motions.

d. **Preservation of Discoverable Information:** The Parties are not aware of any issues related to the preservation of discoverable information of the scope of the preservation obligation.

e. **Model Protocol for Discovery of ESI:** The Parties believe that this case will involve limited amounts of Electronically Stored Information (“ESI”) and if necessary, the Parties will adopt the Model Protocol Regarding Discovery of

ESI. The Parties are currently unaware of any issues regarding disclosure of electronically stored information.

f. **Alternatives to Model Protocol:** N/A

a. Plaintiff's Motion Due: **August 2, 2024**

b. Defendant's Response Due: **September 6, 2024**

c. Plaintiff's Reply Due: **September 13, 2024**
